RAMPAGE PRO CARBON MIPS

S|M|L|XL

The helmet trusted by UCI World Cup champions.

- MIPS™ added protection system is meant to reduce the rotational motion when implemented in a helmet by absorbing and redirecting energies and forces otherwise transmitted to the brain
- Breakaway visor screws are designed to shear off at impact to reduce rotational forces
- Dual-density, In-Mold Varizorb™ EPS balances

- weight with performance and is meant to provide improved protection by spreading forces over a wider surface area
- Lightweight carbon fiber shell construction
- Injected Mesh vent screens maintain superior ventilation and airflow while shielding the rider from dirt and debris

- Removable, washable Ionic+ comfort liner and cheek pads are antimicrobial and manage odor while wicking moisture away from the head
- Meets EN 1078, CPSC 1203, AS/NZS 2063, and ASTM F1952
- 40% Composite, 19% EPS, 16% PU Foam/Polyester, 8% Nylon, 7% Abs+pc
